

Message from the Principal

Sir EK held its Open Day cum Learning Celebration Day on the 15 and 16 March 2019. The occasion is unique to our school, as it recognizes and awards outstanding students in fields of academic, cultural and extra-curricular activities. In the opening, we had the dragon and Lion dance performances, Nepalese and Punjabi dance performances which showcased the multicultural diversity of our school. Attendees then had the opportunity to explore the colourful exhibitions, and take part in the exciting activities and games around the school campus, which were organized by teachers and students. The afternoon session commenced with a prize presentation to outstanding students and parents. Rounding off the afternoon were performances by the Chinese instrument ensemble and a fashion show which were highly praised. This was followed by the heartwarming PTA Barbecue. The highlight of the second day of the two-day long celebrations was the home-coming of the alumni – a delightful event as students from past and present joined together to affirm their unbreakable bond with their alma mater. I would like to take this opportunity to express my heartfelt thanks to all teachers and students for your unfailing support to the school.

For the HKDSE results, the no. of level 5 or above got last year was nearly triple of that the year before. Two students were admitted to University of Hong Kong and The Hong Kong Polytechnic University. With determination, I am sure that our students will be able to perform even better in learning and develop their untapped potential. To enhance students' whole-person development, some new programmes for different levels will be held this year as follows:
