

## Abbayjit (1D)

I have been in this school for 1 month already and I have made many new friends and met a lot of kind teachers.

My class teacher's name is Mr. Nair. He is a bit strict but a fine teacher and he is my English teacher too. My science teacher's name is Mr. Fung. He is a kind teacher. My P.E. teacher's name is Mr. Lui. He is very tall and strong. He's a kind and friendly teacher.

In my class there are thirty-one students. My best friends are Michael, Zac and Clevin. Michael likes football and he is really good at it. He is also good in his studies. Zac likes basketball and he is in the basketball team. He is very good at it. Clevin also likes basketball but he is not in the basketball team. He is very good at it also.

The school is the best school ever.
