### My Family

My name is Harmandeep and I have a big family. My father's name is Inderjit and there is company called complex and he is a salesman in that company. My mother is an English teacher in a kindergarten.

I have one elder sister and she studies in secondary four. Her name is Pamandeep. She likes dancing a lot. She wants to be an accountant so this time she is studying the accounting subject. I have a younger brother. He is studying in Primary four and his name is Harpreet. He is very, very naughty. He is very impolite. And the last family member is myself. I am in secondary one. I had been the champion for almost six times in my Primary Schools. I hate people who lie.

I have many uncles and aunts but my favourite uncle is my smallest uncle. His name is Ralcesh Kumar and he is married already. My aunt's name is Kalwinder Kaur and she is a housewife. They have two small daughters. The eldest daughter's name is Harshdeep and she is seven years old. She studies in Primary two. She is so cute that I want to pull her cheeks. And the youngest daughters name is Mandeep and she is four years old. She studies in kindergarten two. She is also so much cute and naughty.

I love my family!
