

Britain's Got Talent

Last week, I went to watch a popular talent show named "Britain's Got Talent" in London City Hall. Competitors from the U.K. took part in the competitions to show their different talents.

One of the participants, Susan Boyle, sang "I Dreamed a Dream". She had a powerful voice, but a plain appearance. The audience and judges were moved by her emotional presentation. People in the hall stood up and gave her round of applause.

Impressed by Susan's amazing performance, the three judges gave her good comments. The audience also believed that it was the best show they had ever watched. Hopefully, she would become the winner.

I would like to recommend that you watch this talent show on YouTube. It is an outstanding and inspiring performance. You will not be disappointed.
