Hi Meg!

This is your pen friend, Chris. How have you been nowadays? I would like to tell you about an exciting treasure hunt which is being organized by the Nature Club. The hunt will be held on Sunday, 11th February at Lion Rock country Park. I'm going there with my friends.

Firstly, we will form teams and follow a trail of clues around the country Park. We will be able to see beautiful eye-catching scenery along the way. We will also have a delicious and mouthwatering barbecue lunch. After having lunch, we will get back on trail and we will be able to see beautiful wildlife such as birds, monkeys and butterflies. After that, we will have to try to get to the end of the trail first to find the hidden treasure. I'm sure it's going to be really fun treasure hunting because we will get to see beautiful scenery along the way and then having tasty barbecue while being able to see a lot of wildlife. I can't wait to join this amazing treasure hunt organized by nature club.

I really wish that you can join this amazing treasure hunt with me and my friends if you have spare time.

Best wishes,

Chris
