## Chinese New Year

Come to Hong Kong and you'll find out more about Chinese Traditions. Don't miss the Chinese New Year Festival.

My favourite festival is Chinese New Year. Chinese New Year is on the first day of the first lunar month. All Chinese can have their holidays. Many people will go to the flower markets. A lot of people like buying peach blossoms. Because peach blossoms represent good luck in adventures with women, and they are very beautiful. They are full of vitality.

Some families make turnip cakes, but some prefer to buy them at Chinese New Year. Every family must have them. A lot of people wear new clothes at Chinese New Year.

Children can get red packets. Because parents always visit relatives with their children, children can get red packets from their relatives. However, parents should give red packets to relatives' children, too.

At Chinese New Year, people always have a big meal with relatives or their own family. It can give everybody warmth and happiness.

I hope every foreigner would like this festival!
